SUMMARY

I am Harsh Rathod, a passionate React.js Developer and Web Designer with a strong academic background in B.Com, PGDCA, and MSc (IT). I specialize in building responsive, user-friendly, and visually appealing web applications using modern front-end technologies.

I have hands-on experience with React.js, JavaScript, HTML, CSS, and modern UI design principles, along with a good understanding of performance optimization and cross-browser compatibility.

I enjoy transforming ideas into functional digital experiences and continuously upgrading my skills to stay aligned with the latest web technologies.
